Vice-President of the Stirling University Scottish Nationalist Association, Zack Niven, has been elected to the position of National Convener of SNP Students. Speaking on his election, Niven said:

“I would like to thank my colleagues in SNP Students for choosing me to be National Convener. It has been a real passion of mine to take part in national level discussions over policy and campaigning, so to be appointed in this position is really important to me. I look forward to working with them, alongside members of the SNP Executive and other affiliated organisations to put students at the forefront of decision making”

He joins Dante Lopez, President of SUSNA, who sits on the SNP Students National Executive Committee as a President of the SNP society here in Stirling. Dante said:

“Congratulations to Zack on his appointment to SNP Students National Convener. I look forward to working with Zack and the other members of the NEC as we head into an important year in Scottish Politics. It is great to have Stirling students taking part in national debate and having a seat at the top table.”

Alexander Swanson, a Third Year student at Stirling, stepped down as Acting-Convener and was elected to become National Organiser.
